Unguwar Alhaji Gagulmari Jigawa
State Hadejia,731101

DETAILS

Date of Birth : 17 September 2000
Nationality : Nigerian
Languages : English and Hausa.
Gender : Male
Marital Status : Single

SKILLS

- Management Skills
- Ability to Multitask
- Excellent Communication Skills
- Decision Making
- Problem solving
- Leadership
- Time Management
- Programming Sills
- Data science
- Web development skills

EDUCATION

Sule Lamido University. Kafin - Hausa
Bachelor's Degree in Computer Science
2018 – 2023

Blessed academy kaduna
Senior Secondary School Certificate
2010 - 2016

LANGUAGES

- English
- Hausa

PROFILE

Passionate data scientist with expertise in machine learning algorithms and data analysis. Skilled in extracting insights from complex datasets to drive business decisions. Proficient in Python programming language, with experience in implementing predictive models and optimizing algorithms. Strong problem-solving and communication skills. Dedicated to leveraging data-driven approaches to solve real-world problems

PROFESSIONAL EXPERIENCE

Web Manager

SLU Journal of Science and Technology || 2023 - Present

- **Website Development:**Overseeing the design, development, and maintenance of the organization's website.
- **Content Management:**Ensuring that the website content is up to date, relevant, and engaging for visitors.
- **Security and Maintenance:**Ensuring the website is secure, regularly updated, and protected against potential threats.
- **Collaboration:**Working closely with cross-functional teams, such as marketing and IT, to align web strategies with overall business goals

Embedded Programs Engineer

Sule Lamido University, Kafin-Hausa || 2023 - Present

- Collaborated with the team in the development phase
- Coding of the hardware part (Micro controllers, wifi modules and sensors) and packaging the product
- Utilized Firebase to store and retrieve data, resulting in improved app performance and reliability
- Provided solutions to issues related to networks and platforms

Data Scientist

Sule Lamido University, Kafin-Hausa || 2022 - 2023

- Development of Chronic Kidney Disease Prediction Application Using Machine Learning Approach, Jigawa state June 2022- November 2022
- Developed a machine learning model that accurately predicted application usage patterns and trends
- Collaborated in the Data analysis and Building of the Model.
- Participated in the Deployment the Model on a Web Server.

CERTIFICATIONS

- Advanced Data science
- Certificate of Recognition, Sule Lamido University
 - Served as the pioneer President in the Faculty association (Nigeria Association of Computing Student sluk chapter)
 - Served as Academic Committee Muslim Student's society of Nigeria, SLUK chapter
- Certified Data Analyst , Hiit Plc Kano.
- Certificate of Recognition as "Outstanding Data Scientist in the Department"
